

UNDERSTANDING ZONE RESTRICTIONS & RELAXATIONS

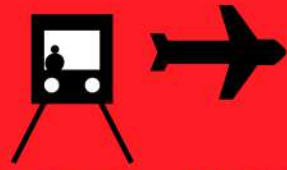

Green Zone – A district with no confirmed case in last 21 days

Red Zone – A district will be a red zone based on the number of active cases, doubling rate of cases, extent of testing, and surveillance feedback

Orange Zone – A district not classified as either red zone or green zone

Containment zone – An area within Red and Orange zones can be demarcated as Containment zone based on various factors – mappings of cases and contacts, area with demarcated perimeter and enforceability
